Fiance is lost overboard

Twenty-seven-year-old Anne Fullwood, of Hendon Burn Avenue, Sunderland, who was to have been married shortly, learned yesterday that her fiance, Mr. Hedley Davison, third engineer on the City of York (13,345 tons) had been lost overboard.

The ship is due in Plymouth today. The owners, the Ellerman Bucknall Line, have told Davison's parents that he went aft from the engine room and was never seen again. The ship made a five-hour search.
